

Mini Sound Expo on Sunday, November 15, 2026

12n – 5pm

Soundwise Studios, Lancaster, Pa 17603

313 W. Liberty St., Suites 263-267

Mission/Purpose: A community gathering of trained therapeutic sound practitioners to:

- 1 – Network with other sound practitioners to promote community, collaboration, knowledge of and an understanding of what we offer through our individual practices.
- 2 – Provide an opportunity to promote our acoustic sound services (no electronic or frequency machines), sound events and any adjunct modalities to attendees by educating them through one-on-one interaction and print material. **THIS IS AN ACOUSTIC SOUND-FOCUSED EVENT.**
- 3 – Sell instruments and any directly-related sound art and books on day of event.

Vendor/ Participant Guidelines

Set-up from 10:30-11:45am on Sunday, Nov. 15. If you need more time to set up, let me know. Saturday afternoon may be available. You must be set up by 11:45 am on Sunday though. Clean-up 5pm, immediately following event. Everything must be cleared out by 6:00pm.

Bring your own table and covering. A card table or two, or any folding table no longer than 6'. Space will be approximately 6'x6' for each vendor, with 2-3 feet between one vendor's space and the next. Last year we had mostly 4' tables and 6' tables. There will be one chair provided for each vendor. The room is carpeted. There are three large windows for lovely natural light.

No vendors will give or sell any services of sound during the event. It would be too much sound in one room if we were all playing instruments. If you are selling instruments, attendees may hear what the instrument sounds like or try it out. If this happens with too many vendors, and there is too much sound, you can take the instrument outside the room so it can be heard more clearly.

The vendor fee is \$50 and can be paid via PayPal @SoundwiseHealth or Venmo @Lana-Ryder-1 or cash/check no later than November 10th

There is a vending machine cantina in the basement of the building for snacks, beverages and sandwiches. There are numerous restaurants within 5-10 minutes. Restrooms are by the elevator.

There are elevators or stairs to get to the second floor to Soundwise. ADA accessible.

You will come in through **the brown wooden doors on the left front of the building on Liberty St.** Someone will be there to let you in as the building is locked on weekends.

There is a huge parking lot right across from the front of the building on Liberty Street. Plenty of free parking.

Deadline for signing up is November 10 or when we are full, whichever comes first. Already there has been a great response and much interest! This form must be received no later than Nov. 10.

SOUNDWISE MINI-SOUND EXPO – NOV. 15, 12N-5PM
