

LILLY'S CHILLIN CHIPS

Smash Hemp Company would like to introduce Lilly's Chillin Chips CBD Dog Treats, a natural way to health and wellness for our pets. Lilly's Chillin Chips are thoughtfully crafted with a commitment to enhancing the well-being of dogs through the benefits of CBD. Our high-quality CBD is sourced directly from our own hemp farm, ensuring the utmost purity and potency.

Each batch of these delicious treats is carefully manufactured in small quantities within a commercial FDA-approved kitchen, guaranteeing consistency and excellence in every bite. Our dedication extends beyond production, as we meticulously oversee each step from cultivation to delivery, ensuring that Lilly's Chillin Chips remain a trusted choice for those seeking natural relief and relaxation for their pets.

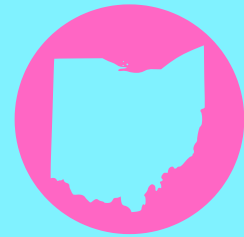

Relieve Pain, inflammation, stress,
anxiety, seizures

Dogs love them!

Farm to Shelf

Ohio based company using locally sourced ingredients to provide a high quality product for our canine companions.

We are committed to making a positive impact on the world, and our sustainable CBD Dog Treats is one way we can do that. Join us in our mission to take care of our pets and our planet

Feel free to reach out if you have any questions about the new treats. We look forward to supplying an affordable CBD Dog treat alternative.
