

## ***ArenaMule II – Arena & Beach Groomer***

By Grey Mule Equipment LLC | Proudly Made in Michigan, USA

### **Work Hard. Groom Smart.**

From equestrian arenas to shoreline walkways, the **ArenaMule II** is your go-to tool for grooming and leveling soft ground surfaces. Built with rugged durability and designed for effortless performance, each unit is **manufactured, welded, and powder-coated in Michigan**—with pride in every pass.

### **Key Features**

- **Heavy-duty steel construction** with a durable, **powder-coated finish**
- **Fully welded frame** for exceptional strength and long-term reliability
- **Levels, grooms, and smooths** with consistent, professional-grade results. Safely grooms the top layer of your arena with tough 2.5 inch welded teeth without harming your base layer.
- **Easy to use** with standard tractors, ATVs, or UTVs
- Ideal for **riding arenas, beaches, trailheads**, and other soft terrain

### **Four Configurations Available - Upgrade as you grow!**

Choose the setup that fits your equipment and application:

1. **Tow-Behind** – Hitch it to your ATV, UTV, or lawn tractor
2. **Tow-Behind with PackMule™ Roller** – Adds a rear roller for a smooth, finished surface
3. **3-Point Hitch** – Standard Cat I connection for tractors
4. **3-Point with PackMule™ Roller** – Combines grooming and compacting in one pass

### **Available Widths**

- 5 Foot
- 6 Foot
- 7 Foot

---

## Built in Michigan. Backed by Pride.

At **Grey Mule Equipment LLC**, we take pride in designing and fabricating equipment **right here in Michigan**, using American steel and skilled workmanship. The ArenaMule II is built to last—on the ranch, on the beach, and everywhere in between.

---

## Limited Lifetime Warranty

Every ArenaMule II is covered by our **Limited Lifetime Warranty**—protecting the original purchaser against defects in materials and workmanship under normal use.

---

Limited Lifetime Warranty:

Grey Mule Equipment LLC warrants the ArenaMule II Arena and Beach Groomer to be free from defects in materials and workmanship for the lifetime of the original purchaser. This warranty applies only to manufacturer defects under normal, intended use on soft ground surfaces. Covered under warranty are defects such as cracked welds or other structural failures resulting from proper use. Not covered under warranty are damages resulting from misuse, abuse, or use on unsuitable terrain, including but not limited to rocky areas, roots, or extremely uneven ground. Examples of non-warrantable damage include broken grooming teeth caused by impact with rocks or roots, and bent or dented packers (on models equipped with packers) due to rough terrain. Use of the ArenaMule II outside its intended purpose will void this warranty.
