Grey Mule Equipment LLC warrants the ArenaMule II Arena and Beach Groomer to be free from defects in materials and workmanship for the lifetime of the original purchaser. This warranty applies only to manufacturer defects under normal, intended use on soft ground surfaces. Covered under warranty are defects such as cracked welds or other structural failures resulting from proper use. Not covered under warranty are damages resulting from misuse, abuse, or use on unsuitable terrain, including but not limited to rocky areas, roots, or extremely uneven ground. Examples of non-warrantable damage include broken grooming teeth caused by impact with rocks or roots, and bent or dented packers (on models equipped with packers) due to rough terrain.
