Meet the Core Group!

"The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest." Matthew 9:37-38

God has blessed us with workers! We are excited to start in 2019 to plant a church in the city of Lancaster! We have a heart to disciple and teach so that people can grow in the knowledge of Christ! We are thankful for our core group who have decided to be a part of the work in the city of Lancaster! We are meeting monthly to pray and plant for 2019! If you are interested in being a part of the team you can contact us!

You can donate to the ministry by going to www.churchplantingbfc.com

Pray for a location!

Soon we will be in search of a home to gather together! We need space to worship, provide childcare and space that can be utilized for a recording studio.

The recording studio will be used to produce Christ centered music that can also be used as a means to disciple the youth of our church!

Please pray for us to have the resources and finances to find a facility! We also have a vision of a recording studio. This can be used to reach many youth in the city. It can be a great tool for discipleship!

“Planting a new church is filled with unknowns and uncertainties. Yes. Where else can faith grow?” John Piper

Pray for our faith!

Planting a church will be full of challenges. We will need God's peace and direction as we go. Please pray for God's provision and care in this season of our lives!

Meet the Clarks!

Tyriq and Aliesha Clark have been married just about two months. They met each other during their undergraduate college career at Millersville University while participating in the Gospel Choir. During that time, Tyriq was studying to earn his BS in Communications and Broadcasting and Aliesha for her BA in Psychology. Currently, Aliesha is working as a Behavior Support Consultant with her Masters in Social Work. Tyriq is attending Evangelical Theological Seminary to earn his Masters in Divinity and Marriage & Family Therapy. The two have been instrumental tools on Millersville University's campus and in their own communities. Both have had the privilege of serving presidential terms in Bible Campus Ministries and Millersville University's Young Sisters in Christ Ministry. Coming from humble beginnings, the couple has shared the gospel to reach the lives of many throughout their time on and off campus. The Lord has laid on The Clarks' hearts to migrate their ministry into the inner city and local community! Please pray for them as they move forward to God's call in the City!
