CHRIST ALONE Fellowship

God is a Provider!

A season of provision!

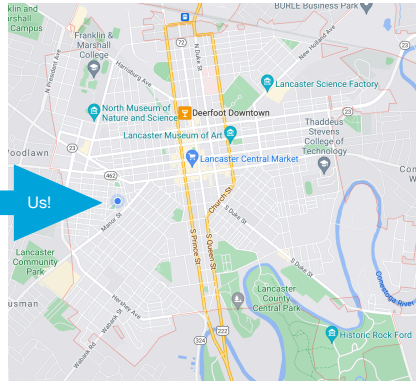

We are thankful for what God has done! We have moved into our new location here in the City of Lancaster! Because of the support from BFC churches, friends and family we have been able to have our own location and enough finances to renovate and prepare the building to meet our needs for ministry. Thank you to everyone who helped to make this possible. We are here and ready to share the gospel in our city thankfully because of God's grace and His provision through your prayers and support!

Pictured above is the new building.

We have yet to finish painting. The cross in front of the building was there before we moved in! We are hoping to paint it in full.

Thankful for God's Grace!!!

Now that we have a place of worship we are preparing to go and share in this community! We are in between two different parts of the city. We are in the west side of the city in between the Water Street Rescue Mission and F&M College.

As we move forward to serve, our priorities are first and foremost to proclaim and declare the gospel. We are unashamedly reformed! We do desire to teach the doctrines of grace because we believe that

God is sovereign over salvation, creation and all of life. The people in our city need expository preaching and biblical theology. People who are dead in their sins need the gospel to become alive in Christ. There are people in unbiblical churches that are starving for God's word and there are people in our city that need salvation. That is why we are here! And we are here because of your prayers and support.

Thank you for helping us reach our city with the gospel of Jesus. The building, our outreaches and the ministries happening here have been made possible by God's grace and work through you. Now that we have a location we are praying to reach even more people with the gospel! Again, thank you for your love in this season.

To God be all the glory!

Thank you for your support!
