

Falls Prevention Awareness

Did you know, on average, 21 patients per day are admitted to a Green Bay ER because of a fall? Falls are also the cause of over 50% of all trauma cases. Members of the Brown County Prevention Coalition Falls Prevention Subcommittee are partnering to reduce the rate of falls and injuries from falls in our community. Watch important messages from these community members on how to help you or a loved one prevent falls. Check out the videos on ADRC's website and our Facebook page!
