*Governmental Issues and Responses Re Covid-19*

---

**It’s Not Another Stimulus Check (Yet): The IRS Is Sending Interest Payments to Individuals Who Filed their Tax Returns on Time but Did not Get Their Refunds**

**Yet:** The average payment is about \$18. Those who receive their refund by direct deposit will have the interest payment deposited in the same account.

**Philadelphia Criminal Jury Trials Will Resume on September 8.** Jurors will undergo temperature checks, must fill out questionnaires about Covid-19 symptoms ahead of time, and will face much less crowded conditions. The goal is to bring 80 jurors a day to the courthouse. All will receive the questionnaire in the mail in advance.

**To Date, the City Has Been Able to Hire only 45 of the Proposed 120 New Temporary Sanitation Workers:** The City has a process to follow and it has taken

longer than anticipated. The Mayor says the City can't catch up on collections until there are more than 200 sanitation workers who come to work on a consistent basis. The recent average has been 160.

**Pennsylvania and New Jersey Have Determined to Accept FEMA Disaster Relief Money To Fund an Extra \$300 Per Month in Unemployment Benefits; But The Programs May Take A while to Set Up:**

By Executive Order, the President directed that some \$44 billion of FEMA Disaster Relief moneys be redirected to states to supplement their unemployment benefits, in the absence of new federal legislation funding supplemental benefits (the "Lost Wages Assistance Plan"). New systems will have to be set up to operate programs using FEMA relief money, so it is not clear when the additional benefits will actually begin. The program will apparently be retroactive to August 1, run for about 3 to 5 weeks, and end by December 27. Some 39 states have accepted the FEMA money.

**The PA Public Utility Commission Has Deferred a Decision on Allowing Utilities to Resume Shutoffs For Nonpaying Customers Until September 17:**

This is the third time the Commission has been unable to agree on lifting the moratorium, which began in March.

**Over 1 Million Individuals Applied for Unemployment Last Week, Nationally, and Over 14 Million are Receiving Unemployment Benefits, Up From 1.7 Million a year Ago:**

While there has been a recovery/partial recovery in some sectors, this data suggests that some areas are still falling behind.

**With Coronavirus Numbers Down In PA, Governor Wolf is Looking For Funding and Other Programs (and Moratoriums) to Help Individuals and Small**

**Businesses:** Proposed programs include cancelling the liquor tax for 6 months to help struggling restaurants, and legalizing marijuana for recreational purposes and using the funds for relief programs. He also asked the legislature to dedicate some \$225 million of the State's remaining \$1.3 billion in Federal relief funds for a \$3-an-hour hazard pay supplement for the State's 200,000 front line pandemic workers. He further asked legislators to extend the moratorium on home evictions and foreclosures past the August 31 current expiration date. The State has also unveiled a new "roving" mobile testing RV, to provide free testing to underserved communities.

**The City Has Received a \$10 Million Grant From a Private Organization to Help with the Election:** The City will use the funds to open at least 800 polling places (after it consolidated down to 190 polling sites for the Primary Election), set up 15 neighborhood elections offices for in-person early voting using mail-in ballots, install at least 15 drop boxes for mail-in ballots across the City, give poll workers an additional \$100 in hazard pay, and buy equipment to dramatically increase the City's ability to process large numbers of mail-in ballots.

**Governor Wolf has Asked the PA Legislature to Enact Legislation Changing the State's Election Laws to Facilitate Mail-in Balloting:** The Governor asked that 1) poll workers be allowed to start processing ballots earlier (21 days before Election Day) by removing them from envelopes and preparing them to be scanned, but not counting them until the polls have closed; 2) require counties to send out mail-in ballots at least 28 days before Election Day vs. the current 14 days; 3) allow ballots postmarked by Election Day to be counted through the Friday following the election; and 4) allow counties to appoint new poll workers to vacant positions earlier (current law does not allow appointment more than 5 days before the election. It's not clear whether the proposed legislation has any chance of being enacted, either in whole or in part, given partisan differences.

**Some 22 States Have Formed a Coalition to Bring a Lawsuit Against the U.S. Postal Service and Postmaster General in Federal Court Over Slow- Downs in Mail Service that Threaten Mail in Voting in the November Election, and Some Have Brought Suit; PA Expects to Join in the Litigation:** At least 6 states and the District of Columbia have already filed suit, and others are expected to join. The PA Attorney General has said that PA will join, as well. The Postmaster General made promises at Congressional hearings that overtime pay will be restored and the Post Office will cease the removal of high speed mail sorting machines; but the lawsuits are apparently designed to assure that the promises will be kept. Postal delays affect not only individuals, but small businesses, as well, that must rely on the Post Office for delivery of products and materials to them, and the shipping of their merchandise to distributors and consumers.

**In a Bi-Partisan Vote, the U.S. House of Representatives Passed a Bill to Provide \$25 Billion in Funding for the Post Office and to Halt the Removal of High -Speed Mail Sorting Machines and Elimination of Overtime Pay.**

**A PA Federal Judge Has Abstained From Ruling on the Trump Campaign's Case Seeking to Prohibit the Use of Mail In Ballot Drop Boxes and Other Mail-in Voting Practices in PA, To Await State Court Rulings on PA Election Law:**

The Trump Campaign challenged the use of mail-in ballot drop boxes in PA, in Federal Court in Pittsburgh. Another issue was whether the ballots had to be sent back in the secrecy envelopes provided with the ballot. Philadelphia relied heavily on drop boxes during the Primary election. The Federal Judge recently ordered the Campaign to provide evidence of mail-in ballot fraud, from the use of these practices, in Pennsylvania by Friday August 21. This week the Federal Court decided to abstain from ruling on the case and to await state court rulings in state lawsuits on the matter. Stay tuned!

**The Trump Campaign Has Also Sued the State of New Jersey in Federal Court Over its Recent Decision to Send a Mail-in Ballot to Every Registered Voter:**

A similar lawsuit was brought by the Campaign against the state of Nevada.

**The Centers for Disease Control (CDC) has recommended mail-in ballots as a way to vote without risking exposure to the virus at the polls.**

*Health*

**The World Health Organization Has Recommended Delaying, if Possible, Regular Dental Cleanings and Other Aerosol-Generating Dental Procedures.**

**It Is More Important than Ever to Get A Flu Shot This year (Both Adults and Children), But When?** With the coronavirus pandemic still with us, and flu season approaching, doctors are strongly urging that everyone (including children) get a flu shot. This will help lessen the number of flu cases, and avoid the hospitals filling up with flu patients when their capacity is already stretched thin with the pandemic. Also, the flu and the coronavirus share many symptoms, and it can be hard to tell them apart. Coronavirus patients need to be isolated. There is a treatment for the flu, but not yet for the virus. ***Some providers have the flu vaccine now. Protection from the flu shot lasts only about 6 months for most people, less for older individuals. It takes 2 weeks for the shot to become effective. Younger people can get the shot now, but some doctors say older***

*people should wait until September-October. Follow the advice of your medical provider on when to get the fu shot.*

**The Federal Judge in the Parkway Encampment Case Has Ruled that the City May Clear out the Encampments with at Least 72 Hours' Notice:** The City must also store and return to the occupants any property left at the sites. The City is determining what action it will take. The encampment, that has grown to 3 sites (The Parkway, the Azalea Garden, and outside PHA Headquarters on Ridge Ave.), now has about 230 occupants. The City says they have provided housing for 100 individuals since the encampments were set up. The encampments pose serious health and safety issues for both the occupants and nearby residents, and the Parkway encampment has made it impossible for youth teams to play sports at Von Colln Field, where a number of the tents have been set up. The occupants testified in the case that there is insufficient low-income housing/housing for the homeless in Philadelphia, and that they are at risk living in what is available.

### *Assistance and Other City and Community Programs*

---

**Philadelphia is Offering a Hotline for Low Income Families in Philadelphia Needing Free Internet for Students to Participate in Distance Learning:** The new hotline is run by United Way and will provide families of K-12 students with advice on how to get free internet. Dial 211 and press 1 to speak to a resource navigator. The service will be available 24/7 and in 150 languages. The free Internet program is being operated in partnership with Comcast and other entities and will provide free Internet to some 35,000 families with children in the Philadelphia School District, and charter and private schools.

**The City is Opening Access Centers to Provide Supervised Sites For School Children For Digital Learning, Primarily For Families Who Work Outside the Home and Cannot Afford Childcare:** The first phase will open September 8 with 31 sites serving 800 children in grades K to 6. Click [here](#) for information about eligibility, sites, and how to enroll. Families who need help with digital learning can get help from PHLConnected, click [here](#).

**The City is Still Providing Free Boxes of Food and Meals:** A list of boxed food pickup sites is at [www.phila.gov/food](http://www.phila.gov/food). August 24 is the last day for Monday

pickups of food boxes. Thursday pickups began yesterday, August 27, between 10 AM and 12 PM. One box per household. Call 311 or visit the website to check that the site is still open. Student, senior, and outdoor meals will also still be provided in partnership with Step Up to the Plate, Philadelphia Corporation for the Aging, and Liberty Resources. See the site listed above for locations.

**Spring Garden CDC, Along with Spring Garden Civic Association, is Inaugurating a “Solo Cleanup Program”, With a Free Kit For Residents, With Cleaning Supplies and Equipment, as Long as Supplies Last:**

The SGCA and SGCDC typically have two cleanups a year, April and the Fall, with supplemental leaf cleanup days held into December. However, with the pandemic continuing, with no end in sight, these group activities are not safe and are no longer being scheduled. But residents can still do their part to keep their own blocks, and problem blocks in the neighborhood, clean, tidy, and litter-and-weed-free. To help, the SGCA and SGCDC are providing Solo Cleanup kits. Email SGCA President Patrick Boyle at [sgcasanitation@gmail.com](mailto:sgcasanitation@gmail.com) or [info@springgardencdc.com](mailto:info@springgardencdc.com) to sign up. We urge everyone to continue the Solo cleaning program into the fall and winter and to get your friends and neighbors involved, as well. SGCDC still has a cleaning program, but the crew is stretched thin trying to deal not only with our Commercial Corridors, but with the in-between streets, as well. The problem is exacerbated by delays in City pickups, increased amounts of trash on the streets, use of improper containers for recyclables, and a lot of weeds from the hot wet weather. We look forward to hearing from you! ***Dog Park Members can complete their mandatory 4 hours per quarter of volunteer work in Spring Garden through this program.***

**PHDC is Offering \$1,000 Grants to Artists in its “Art is Essential Initiative”**

**Focusing on Public Art.** The deadline is October 7, 2020. The program is focused on “reimagining public art” and seeks ideas on “What does engagement mean today”. The ideas can be expressed in any medium and from artists at any experience level. For more information and to apply: [artisessentialphl.com](http://artisessentialphl.com).

**A “Jurassic Quest” Dinosaur Drive-Through is Opening at the Wells Fargo Center September 4-13:** Due to overwhelming demand, the event was moved from the Expo Center in Oaks to the Wells Fargo Center, to be able to offer extra capacity. There will be more than 70 life-like dinosaurs and an audio tour. The cost will be \$49 per vehicle with 9 occupants or fewer. Tickets must be purchased in advance at [www.jurassicquest.com](http://www.jurassicquest.com)

**Parks on Tap Has Two Family-and-Dog-Friendly Locations Near Our Community: Some 25,000 Square Feet Next to the Waterworks and 70,000 Square Feet at the Horticultural Center Near the Franz Schubert Monument, 100 N. Horticultural Drive:** Hours are Wed.-Fri. 4 PM to 10 PM, and Sat. and Sun. 12 PM to 10 PM. Each site features fresh food, beers on tap, and non-alcoholic beverages in an outdoor environment, with comfortable chairs and clean restrooms. The sites are family-and-dog-friendly. Groups are limited to parties of 6. Masks and social distancing required. A wait list, with text notification, is established once the site is at full capacity. Visit [www.parksontap.com](http://www.parksontap.com) for more information. Free check-in allows for contact tracing, if necessary.

**Oaks, PA Pop-Up Drive-In Movie Theater:** The Greater Philadelphia Expo Center in Oaks, PA is hosting a Cinema Pop-Up drive-in movie theater, organized by Kilburn Live, at the Expo Center Fairgrounds. The site holds 233 cars. Tickets are sold by the car (6 people maximum) and cost \$25.00. The price is more reasonable than some other drive-ins that charge by the person. Click [here](#) for more information and to purchase tickets.

**Enjoy Many Attractions at the Historic Franklin Square, at 6th and Race Streets, including “Summer Splash”, From Now into September:** There are fountain displays every 30 minutes from noon to 9 PM daily. After Labor Day, the performances will be every 30 minutes from 12 PM to 2 PM, and evening performances every 30 minutes from 6 PM to closing. Philly favorites provide background music. Yoga in the Square began August 18, and is held on Tuesdays and Thursdays at 9:30 AM, Wednesday 6 PM, and Sat. 10 AM. Thursday classes are free, but all must register, go to their website, below. Also enjoy the Oasis Garden Bus, serving an interesting array of summer cocktails. Ongoing attractions include the City’s only miniature golf course, the Parx Liberty Carousel, playgrounds, and Squareburger for an assortment of burgers, hot dogs, and

milkshakes. Visit [www.historicphiladelphia.org](http://www.historicphiladelphia.org) for more information, and [www.yogagardenphilly.com](http://www.yogagardenphilly.com) to register for yoga classes.

## *Other News*

**There Have Been Two Recent Drug-Related Shootings Along the N. 17<sup>th</sup> Street Corridor from Fairmount Ave. to Wallace Street; Subsidized Home Security Cameras:** Arrests have been made on the first incident, and an arrest is imminent in the second. Home security cameras have been key to apprehending the offenders. The SGCA and SGCDC have a program to subsidize home security cameras. Email [info@springgardencdc.com](mailto:info@springgardencdc.com) if you wish to inquire about getting one. The SGCDC and SGCA are also setting up a phone line with a voicemail to report all incidents of crime, drugs, and nuisance activities. Be sure to call 911 and the LCE/LCB at 1-800-932-0602 and leave a message. But we also need to create our own record so that we have the evidence we need to secure additional police, LCB, and other help.
