

2026/27 Tuition Rates

Payment Plan Options:

Annual and monthly payment plans are available. Annual tuition payments must be received by August 15. All monthly payments require enrollment in our Brightwheel payment program. **Monthly tuition rates are not based on attendance days - they are based on the annual rate divided into monthly payments plus service fees.** Additional fees will be billed for late payments and returned checks. **All tuition payments are non-refundable and non-transferable.**

STEAM Afternoon Curriculum: STEAM stands for science, technology, engineering, art, and math. This is a project-based curriculum offered for our 3pk and VPK groups in the afternoons where children are encouraged to form questions and do research using hands-on exploration. Building on natural curiosity, children are encouraged to interact, question, connect, problem-solve, communicate, reflect, and more!
