WITH DJ ASHLEE SCOTT"**

# ABOUT THE ARTIST

Born and raised in a Tampa! Prior to her music career she was in Trauma Surgical Sales for over 15 years. But has had a love and passion for music her whole life. Her late father worked her whole life in marketing at all the local radio stations and ended his career at iHeart DC. She now uses his middle name as Scott.

Back in 2020 right after covid Ashlee shadowed under a top 100 Dj from LA in the studio and live trained for 4 months. Shortly after she booked her first gig and residency in south Tampa beginning her full time career as an artist! She works with yacht companies, bookings agents, played every rooftop and resort in town. She brings a lot of vibes and new music and is able to cater to any crowd.

May 2024 She began her journey on the larger stage opened for big artist such as the Lisbon sisters, DJs from Mars, James Kennedy and Omnia 10yr resident Jeff Retro! She has her own style that brings great upbeat vibes while mixing in the top tracks. Want to hear her live? You can listen to her SoundCloud channel weekend therapy with live sets since 2021! She is also putting out edits and her own tracks that have a unique dnb/uk bassline undertone. To her dance, tech house always staying on top of the dance music vibes.

she is currently booked all over downtown tampa from rooftops to pool parties, private events, from Jackson's patio, to lower deck, Ro and Timpano's in Hyde to park, hotel hayas swim club in ybor, she has also done events with luxury automotive and bike brands such as Ducati and Maserati.

Ashlee, her 8 year old daughter and puppy Emma live in downtown Tampa. Her daughter is her biggest fan and loves telling all her dance and school friends about her mom! She is excited to travel and share her music and says she feels blessed to have had such a warm welcome into the industry by local mates and larger artist alike.
