**PREMIERE ON-SITE TRAINING FOR
AIA/ICC CONTINUING EDUCATION CREDIT**

Location: **City of Albuquerque**
 600 2nd Street, NW
 Albuquerque, NM 87102

Dates: **June 21 and 22, 2022**

This two day course is designed on the 2015 IBC to assist with the new influx of new people into our industry. It will provide some basic beginning understanding of critical aspects of the code in the design sections of the code. It will also provide good reinforcement of concepts for those persons who have intermediate knowledge and experience.

This program will provide a reasoned analysis of the codes relative primarily to the design chapters of the IBC found in Chapter 3, 4, 5 and 6 with other elements of the code as needed to show the interrelation of the complete code requirements.

This class will provide credit for 12 hours of continuing education for ICC and AIA

Due to special accommodation with the City of Albuquerque this 2-day class will be at a special rate of \$250.00 for a two day course. Class will be held in the below grade level of the city office address shown above. Space is limited. Please preregister.

There are a limited number of seats available. Please contact me at pvandergriff16@gmail.com or call me at 575-430-8752 to check space availability and request a registration form.

Each person will receive a PDF of the program on a stick drive. Those attending are encouraged to bring their code book.
