

Grow Your Own

Kitchen Garden Starter Kit For The DIY Home Gardener

[Gardens By Renee](#)

GBR is on a mission to connect people to their food, nature and one another. This is done through garden design, build, installation, maintenance and inspiration.

Gardens by Renee teaches people how to grow their own clean and healthy food using organic methods, from their own backyard/frontyard/rooftop gardens.

You've Got This.

For those DIY'ers, GBR is pleased to be offering a new Kitchen Garden starter kit. This Kitchen garden bundle comes with everything you need to get growing!

- Birdies modular growing box/raised bed
- The Best organic growing blend, ever.
- Our favorite, tried and true, organic fertilizer and pest deterrent
- Plants, seed and a garden design that includes a customizable crop map.
- Growing supplies. (Trellis, stakes, Velcro tape and labels)
- Support and coaching along the way by Jess and Renee

Let's Grow!

Birdies 6-in-1 Modular Growing Box/Raised Garden Bed

Assorted colors available. Birdies 6-in-1 kits come in 16" or 30" depths. 30" is great for fruit trees or blueberry bushes.

Growing Mix

Because it really does all start with our soil. Healthy soil equals healthy plants. GBR will help you with that FAQ, how much soil do I need? We'll then deliver a custom growing blend created specifically for our kitchen/herb garden and edible landscape.

Crop Map, Plants and Seeds

Available for 3 seasons; spring, summer and fall.

Spring Mix

Summer Medley (Classic with a twist)

Little Italy

Herbs and Edible flowers

Lil' Sprouts Garden

Growing Supplies

We'll supply you with the products needed to grow a healthy and organic kitchen garden. GBR's killer feed and pest management combo, Trellis, poles, velcro tape and labels.

Support

A monthly subscription that includes a membership to a private online community, weekly check-ins including pest and disease diagnostics via email or text and one 30 minute video call with Jess or Renee.

We'll help with location, design layout, size and give tips and instruction for an easy installation. We'll help create a growing plan that fits you, your space and lifestyle.
