Kid Charlemagne was founded in 2025 by a collective of top musicians from Philadelphia and South Jersey, united by a shared obsession with the sophisticated grooves, sharp lyrics, and timeless songwriting of Steely Dan.

The band's members bring decades of professional experience, having performed and recorded with legendary artists like Billy Paul, Freddie Jackson, Irene Cara, The Delfonics, Boyz II Men, Gladys Knight & The Pips, Russell Thompkins Jr. & The New Stylistics, Harold Melvin & The Blue Notes, The O'Jays, Teddy Pendergrass, Phyllis Hyman, Patti LaBelle, and The Temptations. Their collective résumé also includes performances in various Broadway productions such as Hair, Fame, Tommy and Rent.

Kid Charlemagne approaches the music of Donald Fagen and Walter Becker with deep respect and meticulous attention to detail, honoring the original arrangements while delivering the energy and musicality of a world-class live band. From jazz-inflected harmonies to deep pocket grooves, Kid Charlemagne captures the sound, spirit, and swagger that made Steely Dan iconic.
