

KY HOSA Scholarship Scoring Protocol

Background, what are our scholarships?

Anne Vescio was a very dedicated and active person in healthcare around Kentucky. She was the regional director of Kentucky's vocational schools at the time of her early passing. She started a four-year nursing degree at EKU, and played a pivotal role in establishing Kentucky HOSA. Her family started the Anne Vescio scholarship to honor her contribution and dedication to health education in Kentucky. It continues to provide educational financial support to future healthcare providers through donations from the Vescio family and other sources. The amount awarded varies by year and recipient. This scholarship is renewable for a second year providing the recipient meets the conditions provided by KY HOSA at the time of the award.

Kentucky HOSA established the \$1,000.00 Bailey Holt Memorial scholarship in honor of Bailey Holt, 15, who was tragically killed during the Marshall County High School shooting on January 23, 2018. Her family remembers Bailey as a friend to all, who was driven to become a labor and delivery nurse. Kentucky HOSA hopes that the Bailey Holt Memorial Scholarship will honor her memory, and encourage other Kentucky HOSA members to become future healthcare providers. This is a one-time award and is non-renewable.

How to announce scholarships

At the KY HOSA State Leadership Conference, the recipients of the scholarship will be publicly acknowledged and celebrated for their academic excellence. The recognition ceremony will serve as a testament to the students' dedication and hard work, inspiring others to strive towards similar achievements. This ceremony will not only celebrate the winners but also encourage others to pursue their academic goals and aspirations.

Who scores the applications?

The aforementioned group comprises the esteemed members of the Scholarship Committee, including the State Secretary (who chairs the committee), the Vice-President, any other designated members, and advisors to their respective officers. If any members of the committee have a conflict of interest (such as applicants from their chapter), they must be excused from the scoring process and replaced by someone else from the executive council.

How are applications scored?

Each applicant must submit a completed application form. All applicants should be evaluated on objective standards outlined in each scholarship's respective application rubric.

Upon completion of the application evaluation, the Scholarship Committee will proceed with conducting interviews. The committee will conduct a minimum of 3 interviews for each scholarship (if the number of applicants allows) based on the ranking from the application evaluations. Those applicants who are interviewed will have their interview scores added to their application scores.

A final list of ALL applicants will be ranked according to their evaluation scores and given to the State Advisor.

How are scholarships awarded?

The State Advisor will then determine the number and amount of scholarships to be awarded based on the available scholarship funds, using the rankings provided by the Scholarship Committee.

Renewability for each scholarship

The Anne Vescio Scholarship may be renewed for a 2nd year, upon emailing kyhosa@education.ky.gov, providing evidence of at minimum a grade point average of 3.00, and continued enrollment at the same educational institution.

The Bailey Holt Memorial Scholarship is non-renewable, and therefore, cannot be renewed.
