

SFS25 SIDE-BY-SIDE SCHEDULE OF SESSIONS

Monday, August 4, 2025

Time	Film and Awards <i>E450a/b</i>	Sessions <i>E350</i>	Sessions <i>E351</i>	Sessions <i>E352</i>
12:30pm-2:15pm		12:30pm-2:15pm Researcher's Forum Lightning Talks	12:30pm-1:20pm Farmer Perspectives on Agrivoltaics: Recent Surveys and Personal Stories	12:30pm-2:15pm Pushing the Boundaries on What Policies Can Do
1:30pm-2:20pm			1:30pm-2:20pm Farmers & Ranchers Forum	
2:30pm-3:40pm		2:30pm - 3:40pm Researcher's Huddle		2:30pm-3:40pm Policy Action Huddle
4:00pm-5:15pm	Documentary Premiere			
5:30pm-7:30pm	North American Agrivoltaics Awards Ceremony & Reception			

SFS25 SIDE-BY-SIDE SCHEDULE OF SESSIONS

Tuesday, August 5, 2025

Time	Sessions <i>E253d</i>	Sessions <i>E450a</i>	Sessions <i>E450b</i>	Expo Hall
9:00am-10:00am		Opening Plenary		Exhibitor Setup 8:00am - 3:30pm
10:15am-10:30am	Featured Speaker	Global Perspectives	Featured Speaker	
10:30am-11:20am	Soil Health 101: Understanding Soil Health Basics		Technological Advances in Ecosystem Services Monitoring of Solar Facilities	
11:30am-12:20pm	AgPV 101: Design, Construction, Operation and Benefits	Grazing 101	Evaluation of Predictive Modeling Accuracy and Potential for Vertical Bifacial Systems in Agrivoltaic Projects	
12:20pm-1:00pm	Lunch Break			
1:15pm-2:00pm	Featured Speaker	Examining the Agency, Efficacy, & Scope of Providing Ecosystem Services on Conserved Land	Featured Speaker	
2:00pm-2:50pm	Sheepwashing: If you don't have a plan you are doing it!	Can Agrivoltaics and Conservation Objectives Be Compatible?	Agritourism + Agrivoltaics	
3:00pm-4:15pm		From Concept to Reality - Leveraging Research and Tools for Nature-Positive Vegetation Management	Preventing Animal Health Issues on Solar Grazing Sites	
4:30pm-5:45pm	<i>Arie Crown Theater</i> Joint Plenary			
5:45pm-7:30pm	Opening Celebration in Exhibit Hall			

SFS25 SIDE-BY-SIDE SCHEDULE OF SESSIONS

Wednesday, August 6, 2025

Time	Sessions <i>E450a</i>	Sessions <i>E450b</i>	Expo Stage	Expo Hall
9:00am-10:00am	Grazing 201	Models for State / Local Action	Soil Health 201: Solar Soil Health Research & Resources	Expo Hall Open 7:45am - 4:30pm
10:15am-10:30am	Featured Speaker	Featured Speaker	Featured Speaker	
10:30am-11:20am	Comprehensive Vegetation Management at Utility Scale: Why the Hybrid Grazing & Mowing Model is Leading the Way	Crops 300: Crop Assessment for Production in Solar Arrays in the Eastern US	Revegetation Milestone	
11:30am-12:20pm	Agrimation & Agrivoltaics	Scaling Agrivoltaics: Optimizing Land Use for Food and Solar Energy	Ever Green Fields: Policies, Practices, and Solutions for Solar Decommissioning	
12:20pm-1:00pm	Lunch Break			
1:00pm-1:50pm	Are Landowners the Missing Ingredient to Utility Scale Agrivoltaics?	Cultivating Common Ground: Can Agrivoltaics Shift Community Sentiment?	Legal Land-Use Eagles	
2:00pm-2:50pm	Vision 2030: Robots + Sheep	Soil Health 202: Turning Principles into Practices—Soil Health in Action Under Solar Arrays	Subsurface Agriculture Drainage Systems in Utility Scale Renewables	
3:00pm-4:15pm	Multi Value Agrivoltaic Spectrum	Growing the Food Economy: Local Foodshed and Agribusiness Development	Mutual Benefits for Large Scale Solar—How Local Governments Can Prepare and Benefit from Large Scale Solar	
4:30pm-5:45pm	Networking Reception			

SFS25 SIDE-BY-SIDE SCHEDULE OF SESSIONS

Thursday, August 7, 2025

Time	Sessions <i>E450b</i>	Expo Workshop <i>Stage 1</i>	Solar Chefs	Expo Hall
9:00am-9:50am		Retrofitting Built Projects		Expo Hall Open 9:00am - 2:00pm
10:00am-10:50am		Building a Local Community Outside of the Solar Farm		
11:00am-11:50am		Developer's Forum		
12:00pm-1:00pm		Lunch Break in Expo Hall		
1:00pm-1:30pm		Student Design Challenge Awards		
2:00pm-3:30pm	Closing Plenary & Reception			Exhibitor Move-Out 2:00pm - 6:00pm
