CRYSTORIA

Bringing Light
TO THE DARKEST PLACES

Crystoria is a Christian alternative rock artist based in Nashville, Tennessee. Through honest lyrics, cinematic soundscapes, and faith-filled storytelling, her music reaches those navigating life's hardest battles—reminding them that hope is never out of reach.

After a season of stepping away to focus on her health and marriage, Crystoria returns in 2026 with a powerful new single that marks the beginning of a new chapter. This comeback is a testament to God's faithfulness, healing, and the strength found in surrender.

“
I write for
the broken,
