

Dog / Puppy Purchase Agreement

I _____ agree to purchase a pet quality full breed German shepherd puppy / dog from **Working K9 Training & Research Center** for the price of __2500____ USD.

The health and temperament of this dog is excellent to the best of our knowledge. The required vaccinations and anti-helminthic are up to date as indicated on the health record. The purchaser must have the dog examined by a licensed veterinarian within 72 hours of purchase. If the veterinarian finds immediate life-threatening fault(s) that was present before purchase, the dog must be immediately returned to us at the expense of the purchaser. A replacement canine of equal value, unless other arrangements are mutually agreed upon, will be provided. Failure to see a veterinarian within 72 hours will void the replacement guarantee.

The pet is guaranteed for 36 months against crippling hip/elbow dysplasia. If suspected, diagnostic imaging must be done and evaluated by a board-certified veterinary radiologist. The images and report from the veterinary radiologist must be provided for review by our medical team. Should the Purchaser retain said dog, the Purchaser thereby forfeits any replacement. The dog is to be returned to us at the expense of the purchaser. This is a replacement guarantee only, with a dog/puppy of equal value. The replacement will be done as soon as a dog of equal value is available.

As purchaser, I agree to feed a premium Dog Food and provide adequate water (at least 61 ml / kg of body weight per day). I agree to provide superior healthcare. Superior care includes routine heartworm preventatives, dental preventatives, deworming, flea and tick preventatives, yearly blood chemistry, yearly complete blood count, yearly urinalysis, and a yearly heartworm test. I agree to provide adequate shelter from the elements (wind, rain, hail, heat, etc.).

The puppy is sold as pet quality. This puppy should not be used for breeding purposes without prior written consent from **Working K9 Training & Research Center**. The puppy is sold with a **limited registration**. If breeding is approved by Working K9 Training & Research Center, then limited registration will be removed.

If I am unable to provide optimal care or can no longer keep the animal, I agree to give **Working K9 Training & Research Center** first option to take the puppy/dog back. I also agree to give the puppy / dog back if the pet was mistreated physical, mentally, or not provided optimal care.

I have read the above conditions of sale. I understand and agree to all conditions of sale as indicated by my signature below. The entire agreement between the parties is contained here-in. In the event of a dispute, Georgia will have jurisdiction over the matter. **Please read, sign and date.**
