Set in the rolling hills of Florida, GONE COUNTRY AT THE RANCH will be an annual country music event held the beautiful and rustic Florida Sand Music Ranch and will be held Friday thru Saturday, April 24-25, 2026 at the ranch. This is an incredible two day and two night camping optional festival located just off I-75 at Exit 293.

GONE COUNTRY AT THE RANCH is produced by Deep End Productions, LLC partners Alex Kinlaw and Roseanne Herndon.

The Florida Sand Music Ranch (formerly known as Sertoma Youth Ranch) has never hosted a country music festival before and we are excited to bring country to this intimate campground/ranch. With over 200 water/electric sites and acres of room to primitive/dry camp, it is the perfect venue to hold this country music festival with fellow like-minded music lovers. There is a large bathhouse and two built restroom facilities on site. The stage and dance floor is under an open-air pavilion along with lots of seating. There will be food and merchandise vendors on site both days.

We invite you to join our phenomenal group of sponsors!
