A) How to use your portfolio in a job application

CV and Resume – Beneath your name, you may wish to write "Professional Portfolio Hyperlink". Highlight the text and hyperlink it to your website portfolio. Simple!

Cover letter – At the end of your cover letter, you may wish to write "I have attached a portfolio below showcasing the experiences I have mentioned within my application". Simply write "Portfolio" at the bottom of the page beneath your name and hyperlink it. Easy!

B) How change the website name & website domain/ URL

1. Open up Wix and hover over your website. Click 'Select & edit site'
2. Click 'Site actions' (see figure 1)
3. Select 'Rename site'
4. Edit your website name and domain/URL (see figure 2)
