Entry videos will be judged by one judge to determine finalists.

Unfortunately due to the high number of entrants feedback is not given at the video stage.

Please note if you live outside of the South West even if you place highly this does not guarantee you a place at the final. See rule below.

50% of the live final places will be reserved for those living in the South West.

Devon, Cornwall, Dorset, Somerset, Gloucester, Wiltshire and Hampshire.

Therefore if 8 places are available in a particular category, at least 4 must come from these counties.

For example if there are 20 competitors in a category. 8 places available at the final.

If the top 6 are from outside the South West, and 2 from inside the South West, the next 2 highest scorers from the South West will be bumped up to get a place in the final.

Unfortunately that means the two lowest scorers from outside the South West will not be invited to the final.

In reality based on 2019 and 2020 entrants this will probably only effect Intermediate levels as these are the most popular categories.

Youth Competitors will be allowed one adult to accompany them into back stage area. This adult must however buy a spectator ticket to be allowed into the auditorium to view the competition.

In the event of a tie with 2 or more competitors getting the same number of total points a winner will be declared based on who has the highest score on the Overall Performance section on the judging sheet, if still tied the person with the highest marks in the Tricks section will be the winner.

We will do everything in our power to have a live final on the dates advertised on social media, however should there be a similar situation to 2020 and a situation arises out of our control we reserve the right to move the final to later in the year, only as a very last resort it will become an online video competition.
