

What Is On My Ballot?

Empowering Voters Nationwide

VOTE

The Year in Review

2025 was a fantastic start to What Is On My Ballot's journey! We doubled voter turnout in the San Angelo mayoral election, published an app to help Texan voters make their choices for the November 2025 election, expanded to three states, gained media attention and the support of Tom Green County, and have put ourselves in a fantastic position for 2026!

Plans for Next Year

Although What Is On My Ballot is once again returning to a break for now, we have exciting projects in the works for the coming months! We want to increase voter turnout for the upcoming pivotal midterm elections in 2026, so expect to see projects relating to Elections for Governor, House, and Senate in even more states as primaries and midterms come close! This is an extremely exciting time for us and we can't wait to make a difference!

Volunteering Nationwide

We're looking for volunteers around the country to help us in our mission to make voting more accessible! If you're interested, then join our nonprofit at WhatIsOnMyBallot.org/Volunteer-With-Us!
