

What Is On My Ballot?

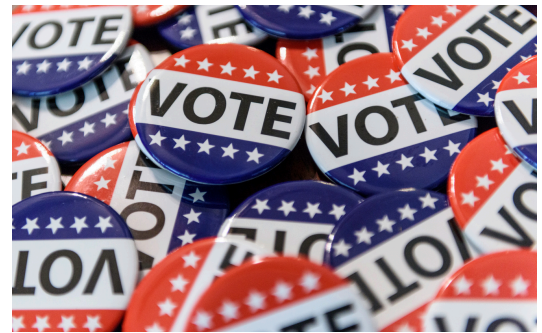

Empowering Voters Nationwide

Who We Are

We are a newly established nonprofit voter advocacy group committed to democratizing the voting process.

Our mission is to ensure that every voter receives access to reliable, nonpartisan information about the issues and candidates appearing on their ballots.

What We Stand For

We believe that an informed electorate is the cornerstone of a healthy democracy. Our mission is to:

- **Help simplify the voting process for all Americans**
- **Increase voter turnout through education and outreach**
- **Advocate for transparent, accessible, and accurate election resources**

By working together, we aim to make our government more representative of the American people that it serves.

Our Current Team

What Is On My Ballot was founded on November 11, 2024, following the presidential election, and since then, we have added several members to our team who are eager to work with us on this project! Team members include:

- **Akash Vukoti**, Founder and CEO (San Angelo, TX; pictured)
- **Amrita Vukoti**, Co-Founder (San Angelo, TX)
- **Chandana Guduru**, Volunteer (Boca Raton, FL)

What's Ahead?

We have many initiatives and opportunities planned for the coming months! Expect to see:

- **Volunteer Opportunities:** Join a quickly growing network of volunteers helping to spread voter education, inform election commissions around the nation about our initiatives, and provide support at polling locations! Your efforts can make a significant impact on voter empowerment across America.
- **Electoral Outreach:** Learn more about how we are impacting the electoral process in your area through collaboration with counties nationwide!
- **Educational Tools:** Explore our library of guides, videos, and articles tailored to answer your questions about voting and how you can become an actively engaged citizen!
