

Our mission is to encourage art awareness, support working artists, and contribute to local art education.

Dear Business Owner,

The Stevens Point Festival of Arts (FoA) has maintained a reputation as one of the finest art fairs in Wisconsin for 48 years in the minds of both artists and attendees.

More than 3,000 people attend this event and are spending time and dollars in our community. As residents of Central Wisconsin, we are fortunate to attract a quality fine art festival of this magnitude to kick off the professional artists' Fine Art Fair seasons in Stevens Point!

Our mission is to support the youth in Central Wisconsin with Community Art Grants.

"Thank you for the generous donation... It was quite flattering to find out that the Stevens Point and [its] surrounding communities are supporting young artists like myself... I cannot express enough how important this award is, not only to me, but the future students here at UWSP [as well]. People like [me], are privileged to be part of this community that has an appreciation for the Arts and Humanities."

Leo White ▪ UWSP Studio Art Community Grant
