ACCOMPLISHMENTS

Kisha fell in love with cosmetology at the tender age of nine (9) years old. She went to DHS Cosmetology, Hillside High Cosmetology and Carolina Beauty College in pursuits of perfecting her cosmetology passion. Kisha became a licensed cosmetologist in 1997. After seeing the benefit of cosmetology to the community, Kisha started teaching others the skill in the salon. In 2015, she challenged the board and received her teaching certification.

Kisha first taught others the lashes and color skills, but later ventured into teaching nail skills to those who wanted to learn. She first taught nail courses for a Vietnamese company; however, after realizing that she desired more, she connected with Tracee Hester, CEO and Founder of The Trendy Nailz Institute and Trendy Nailz Salons. She found that Tracee was a great mentor in the Nail Industry, and admires Tracee's ability to teach and pour into others. Kisha gives Tracee credit for helping her discover ways to work for herself for better outcomes.

In addition to being a wife and mother, Kisha is currently the owner and instructor of the Greensboro Trendy Nailz Institute facility. She is also Paul Mitchell Certified, a Color Specialist, Cutting Specialist, and Texture specialist. L'Oreal Professionnel in the hair industry and owns another beauty company called Elegant Divaz LLC.

She takes great pride in pouring into the next generation of the nail industry, and continues to grow within the industry herself.
