Live Tracking

1. Click/Tap on Tracking
2. Click tap on Advanced Tracking

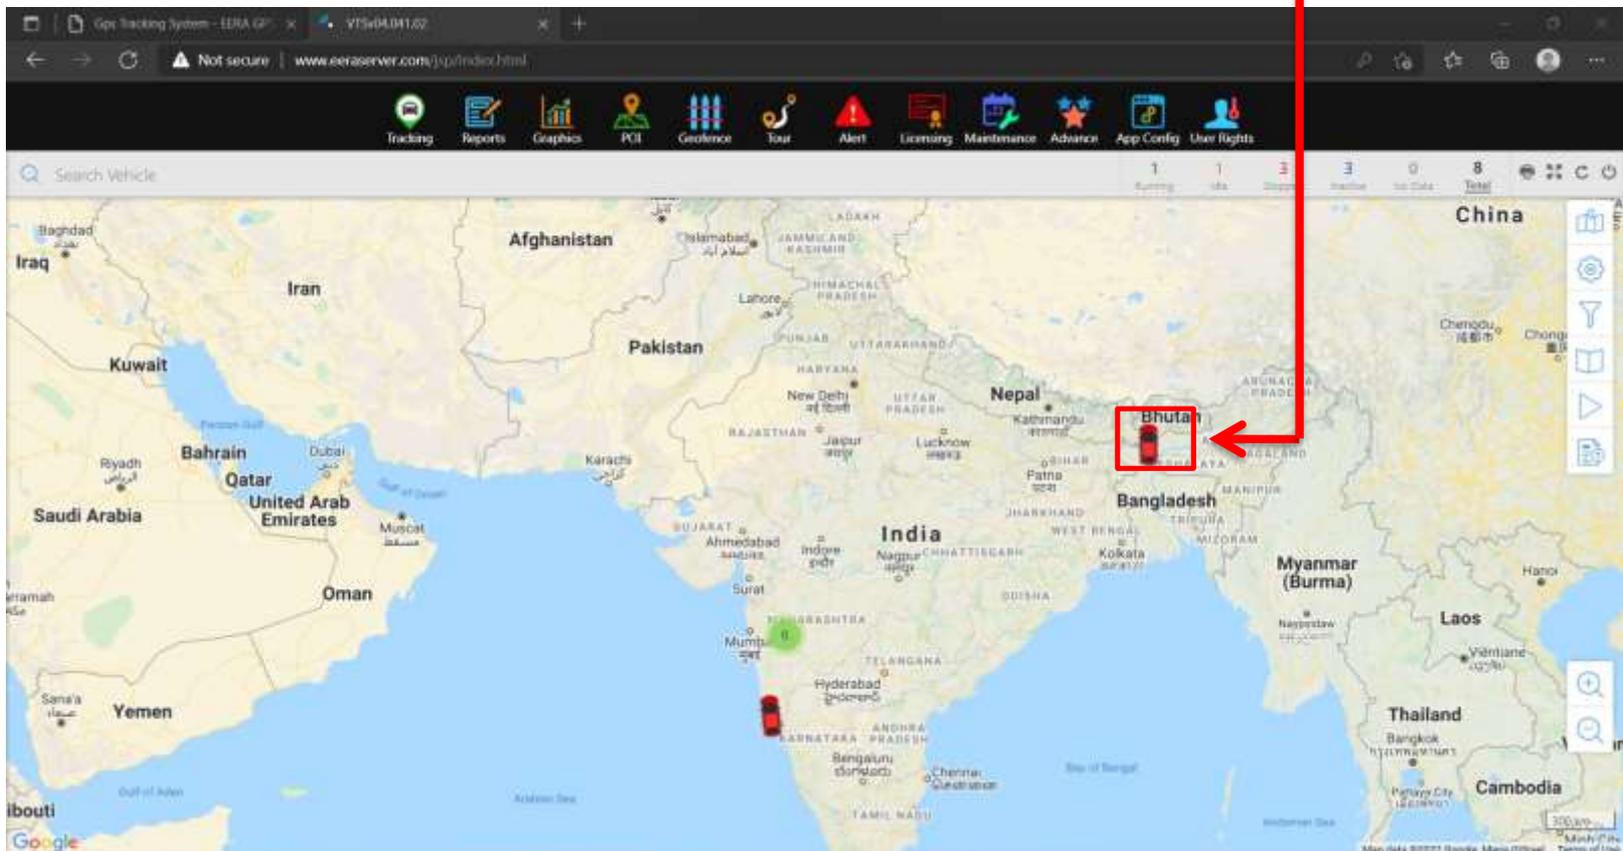

Welcome to Vehicle Tracking System

(Please use the navigation tree)

Live Location

1. Click/Tap on Vehicle which you want to see the details

Live Location in Details

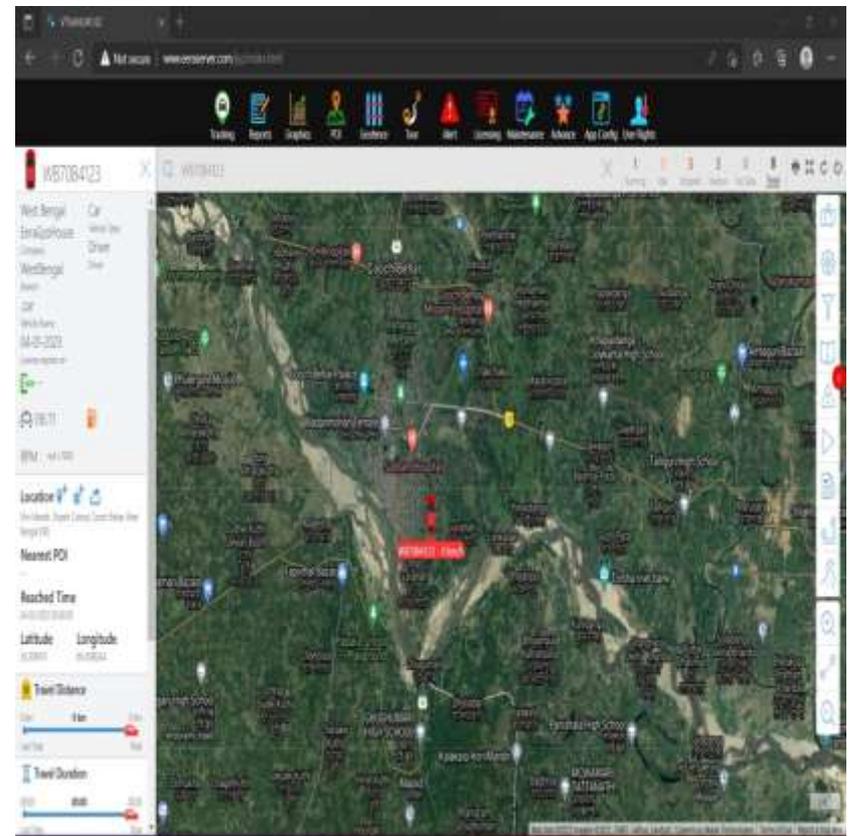

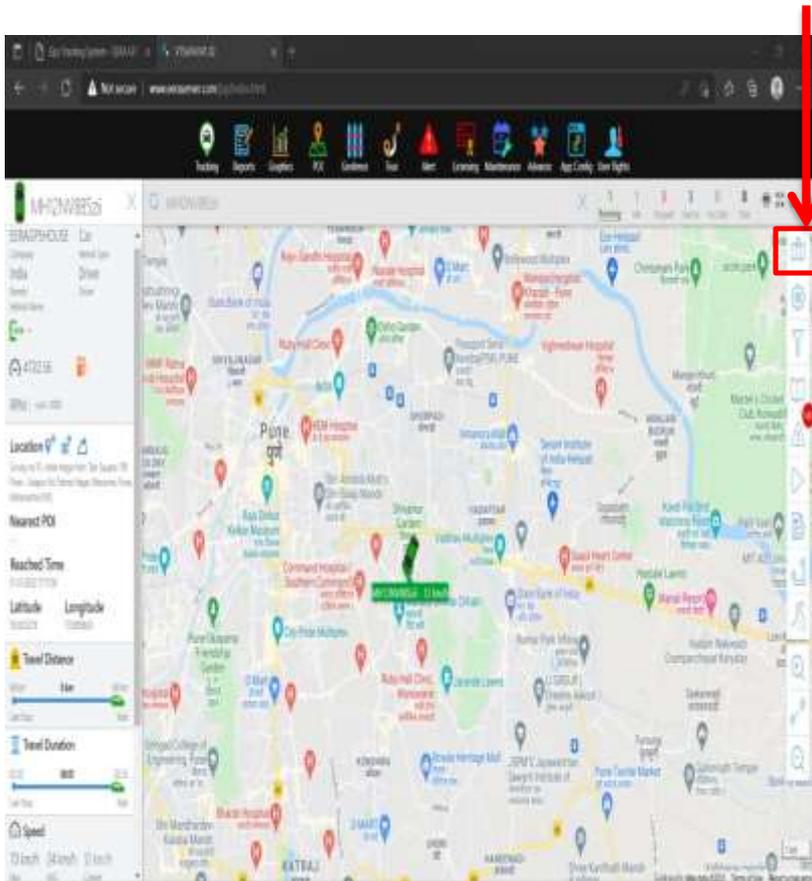

The screenshot shows a web browser window displaying a live location tracking application. The interface includes a sidebar on the left with vehicle details and a main map area. Red arrows point from various elements in the interface to a list of features on the right.

- 1. Vehicle Number
- 2. Current vehicle odometer reading
- 3. Share live location link
- 4. Live address
- 5. Live Reached time of the location
- 6. Live location Lat & Long for map
- 7. Live kilometres 12am -11:59pm
- 8. Live Travel hours
- 9. Speed Details Avg & Max speed

Live Tracking satellite view

1. Click/Tap on MAP logo for change map to satellite view

Live Tracking with traffic and alerts

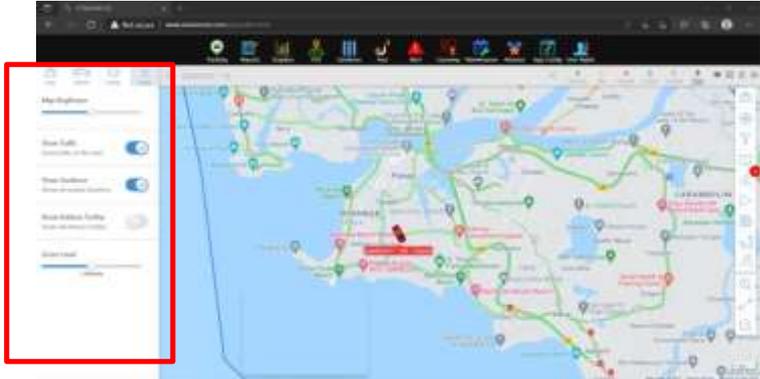

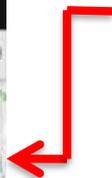

1. Setting logo you can see here Live traffic
2. Alerts Logo you can here vehicles alerts example : Ignition On/Off, Over speed alerts, Geo-fence alerts, Theft alarm ...
3. Playback
4. All live vehicle details with address

Show Traffic and Geo-Fence

1. Setting logo you can see here Tap/Click

Alerts

1. Tap/Click Alerts Logo you can here vehicles alerts
Alerts Logo you can here vehicles alerts
example : Ignition On/Off, Over speed alerts, Geo-fence alerts, Theft alarm ...

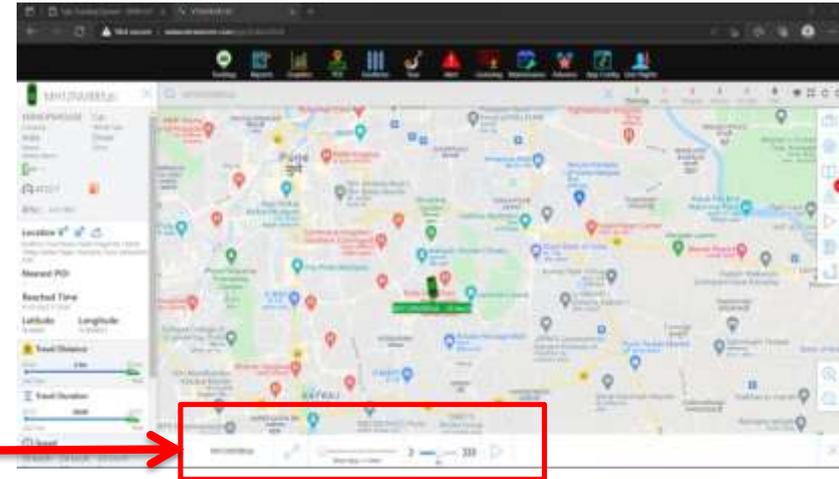

Playback Past 90 Days

1. Playback past 90 days
2. Here set the time and date for Playback and tap/click on play button

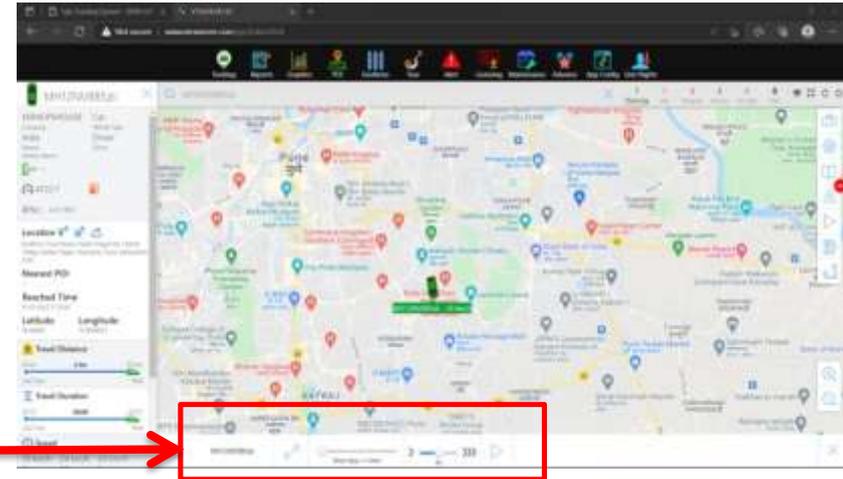

Playback Past 90 Days

1. Playback past 90 days
2. Here set the time and date for Playback and tap/click on play button

Reports

1. Click/Tap on Reports
2. Select the reports you want

The screenshot displays the EERA web application interface. At the top, there is a navigation bar with various icons for different features. A red arrow points to the 'Reports' icon in this bar. Below the navigation bar, a search bar is visible. A dropdown menu is open, listing various report types. A red box highlights this menu, and a red arrow points to the 'Reports' icon in the navigation bar. The background of the interface is a map of India and Bangladesh, with a red car icon on the map.

- Travel Summary
- Travel Daily Summary
- Trip Summary
- Stoppage Summary
- Idle Summary
- Inactive Summary
- Digital Port Summary
- Ignition Summary
- Vehicle Location
- Vehicle Status
- System Log
- Personal Report
- Driver Violation
- Work Hour Summary
- Estimate Fuel Summary
- Overspeed Summary

Reports Example Travel Summary

1. Select vehicle
2. Select date/month and custom time & date here and apply

The screenshot shows the EERA web application interface. The top navigation bar includes icons for Tracking, Reports, Graphics, POI, Geofence, Tour, Alert, Licensing, Maintenance, Advance, App Config, and User Rights. The 'Reports' menu item is highlighted with a red box. The main content area displays the 'Travel Summary' report, which is currently empty, showing 'No Records Found'. On the right side of the report area, there is a 'Vehicle' filter dropdown menu. The dropdown menu is open, showing a search bar and a list of options: 'All', 'Today', 'Yesterday', 'This Month', 'Last Month', and 'Custom'. The 'Apply' button is visible at the bottom of the dropdown menu. A red arrow points from the 'Reports' menu item to the 'Vehicle' dropdown menu, and another red arrow points from the 'Apply' button back to the 'Reports' menu item.

Reports Example Travel Summary

1. We have selected last month
2. You can see here reports and also it can be download in excel and PDF format

Tour Planning Downloads

1. Search Vehicle
2. Select day/month or custom time
3. Apply

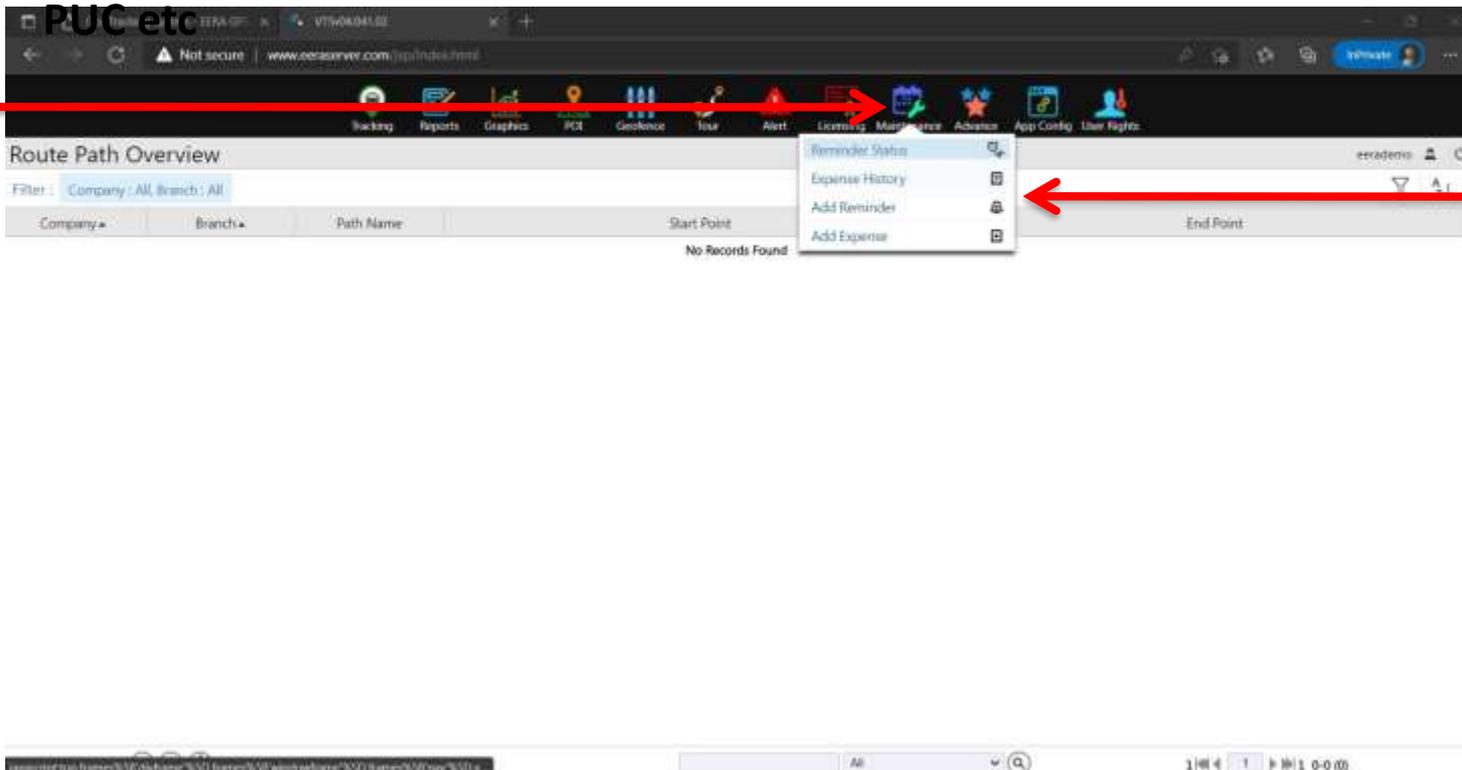

The screenshot shows the 'Actual Trips' page in the EERA GPS Tracking System. The interface includes a navigation bar with icons for Tracking, Reports, Graphics, POI, Geofence, Fuel, Alerts, Learning, Maintenance, Advances, App Config, and Users. The main content area displays a table of trips, currently showing 'No Records Found'. On the right side, there is a search and filter panel. The 'Vehicle' section has a search input field with 'All' selected. Below it, the 'Select' section has radio buttons for 'Today', 'Yesterday', 'This Month', 'Last Month', and 'Custom'. An 'Apply' button is located at the bottom of the panel. Red arrows from the list above point to these specific elements: the search input for 'Search Vehicle', the 'Today' radio button for 'Select day/month or custom time', and the 'Apply' button for 'Apply'.

Maintenance
