*We Provide India's Most Quality Advanced **ARAI & ICAT**
Approved GPS Tracking System*

Established in 2016 at Pune, Maharashtra, India, we "**EERA GPS HOUSE** (A Product of **EERA**)", are devoted towards manufacturing, exporting and importing an outstanding quality range of GPS and Vehicle Tracking System. The offered range is widely installed in vehicles for tracking the position. This range is designed in compliance with innovative technology using quality-assured components at our advanced production unit. Our all range is broadly demanded for its salient features like easy-installation, compact design, accurate functionality and long service life. In order to achieve maximum client satisfaction we use only best quality components in the production of this range. Furthermore, we have a strict quality check unit which duly tests the offered range against set parameters of quality in order to offer a defect- free range to the clients.

Tracking Server and Tracking Application is developed by our expert professionals and using hi-tech devices. This range is widely acknowledged for its bug-free execution, user-friendly interface and platform independence. In addition to this, our clients can avail this range from us at market-leading costs. Furthermore, we also offer qualitative GPS Installation Service. These installation services are imparted by our well-trained staff in accordance with the clients' specifications and in a well-planned manner in order to achieve the excellent results within the assured budget and time. We manufacture our products under the brand name "EERA". We export our products in Hong Kong, South Africa, Taiwan, China and also import from Hong Kong. You will find the latest information about us on this page. Our company is constantly evolving and growing. We provide wide range of GPS services. Our mission is to provide best solution that helps everyone. If you want to contact us, please fill the contact form on our website. We wish you a good day!

Thank you for choosing EERA GPS HOUSE Services as your Ideal, Reliable and Dedicated Business Partnership (Distributorship), we wish to present the details and benefits of the Opportunity.

Thank you.
