EERA GPS HOUSE CITY WISE DISTRIBUTORSHIP OPPORTUNITY 2026

Distributorship Opportunity

Distributorship Opportunity: Partnering for Profit

Eera GPS House is actively seeking **motivated partners** to strategically expand our network through a proven Distributorship model.

This is a timely and strategic opportunity to:

Capitalize on the rapidly growing demand for reliable GPS security and tracking solutions.

Build a profitable and secure business supported by an established, trusted brand.

Why Partner with EERA GPS HOUSE?

- **Benefit Category Our Commitment to You** Established Brand Benefit from our **reputation and experience** in the GPS security market since **2016**.
- **Superior Products** Offer **reliable and feature-rich** GPS tracking systems that ensure customer satisfaction.
- **Comprehensive Support** Receive extensive training in products, sales, marketing, installation, and after-sales service.
- **Growth & Marketing** Benefit from specialized **Google registration training** and strategic **state-level lead generation**.
- **Ongoing Assurance** Access **24x7 distributor and customer support** for all operational needs. **Profit Potential** Earn from both lucrative **direct sales** and consistent **recurring revenue** through renewals.

This financial illustration is key to demonstrating the lucrative nature of the opportunity and boosting confidence (trust).

Device Starting Cost (Approx.): ₹3,500

Potential Yearly Sales (100 units/month x 12): ₹4,200,000

Profit per Sale (Approx.): ₹1,500 x 1200 = ₹18,00,000

Potential Yearly Renewal Profit (1000 customers): ₹15,00,000

Profit on 1000 Renewal (Approx) = 1000 x 300 = ₹3,00,000

Business Model Tree

Exclusive City Distributorship:

Role and Structure The appointed Distributor will hold the exclusive mandate for all sales and operations within a designated city. **Distributor Responsibilities** The primary functions of the Distributor include:

- * Dealer Material Supply: Ensuring the efficient supply and distribution of materials and products to all authorized dealers within the city.
 - * Sales and Support: Providing comprehensive sales and after-sales support to the entire dealer network.
- Company Support & Resources** The Company is committed to providing robust support to the Distributor, which includes:
- * Leads Generation: Supplying qualified sales leads to help drive market growth and dealer engagement.
 - * Backend Assistance: Offering dedicated backend support to the Distributor through both phone and video conference channels.

Distribution Policy A strict Exclusive City Distributorship model is enforced: only one distributor will be appointed per city. The entire market and all associated business activities within the city are to operate exclusively under the management and control of the appointed Distributor.
