Forensic Psychological Evaluations and Independent Psychological / Neuropsychological Examinations (IME's) are typically complicated and labor intensive. The entire evaluation process will take, at a minimum, 8 to 15 hours, including record review, forensic interviews, forensic psychological testing, test scoring, and forensic report writing. Each examinee differs in the time they may take, to complete testing. Each case varies in terms of the volume of discovery or records required for review. As such, some evaluations require a greater expenditure of time. More complex evaluations can take 20-30 hours or more to complete. This will be discussed at the onset of the case in which you are retaining forensic consultation or assessment.

PAYMENT POLICY

Following an initial consultation by phone, a retainer of \$1,000 is customarily submitted along with the fee agreement of this office. All retainer payments must be submitted, along with the fee agreement, in order to begin work on a case. Upon

exhaustion of the fee agreement, monthly invoices will be sent to counsel, and are due upon receipt. Failure to complete payment each month will result in the cessation of work and/or cancellation of any scheduled appointments, pending account payment. Unused retainer balances are returned as credit. All tax preparation must reflect the actual fees paid, if a credit balance has been refunded.

CANCELLATION POLICY

Please contact our office directly at (512) 893-6337 to cancel any appointment scheduled with a defendant or plaintiff. Cancellation of a forensic interview and/or testing appointment must be made 48 hours prior to that appointment. Since alternative bookings are unlikely at such short notice, our policy includes a charge of 4 hours (\$1,200) for all interview appointment "no show" or late cancellations occurring with insufficient notice. This represents the amount of time reserved for your client for this service. A charge of \$1,200 is applied for all forensic testing and assessment appointment "no show" or cancellations, occurring with insufficient notice.
