

November Newsletter

November has seen more students and agencies visiting the centre. We also found out that we have become a winner of Stevenage FC and Sage small business award for our work that we are doing with the football. We were shocked and so proud of what we have achieved in such a short time when we found out. We had a visit from Sage to do some videoing and photography which was exciting and right out of our comfort zone.

We have become an Asdan Registered Centre and can offer short courses. We're so excited for this as it means that for our young people that join us for just a short time they can still if it's appropriate, gain a qualification from their time with us.

Des United has continued to grow. We are braving the cold with training sessions on a Wednesday at Baldock Arena. We have on sale for players and supporters our lovely Des United hats. They are £16 each, if you'd like one please give us a message.

Our very own players took part in Movember. This is all to raise awareness and for men's health; specifically prostate cancer, testicular cancer, mental health and suicide prevention.

Here is Rhys, our very own Movember winner with his impressive moustache.

If you'd like to visit the centre at any point then please give us an email at darwineducations@gmail.com

Our doors are always open for visitors and our kettle is always on for a cup of tea.
