

SOUTHEASTERN MICHIGAN OFFICIALS ASSOCIATION
MEMBERSHIP APPLICATION

The SMOA has served high school sports officials in Metro Detroit since 1947 with an emphasis on training and mentoring those interested in officiating educational-athletic contests. The association works closely with several leagues and assignors throughout southeast Michigan, however, the SMOA does not assign games.

Please note that in order to work MHSAA postseason tournament games, officials must be Members in Good Standing (MIGS) of an affiliated MHSAA-approved association.

Also, it is understood that this application does not constitute any type of employer/employee relationship, nor does it indicate you will automatically receive assigned games just because you are a member. However, it does help with contacts to trainers, assignors and schools that may work together with those who are part of the SMOA and serve an integral part of the MHSAA's structure to help with the enlistment, instruction, training and development of officials used in MHSAA contests.

ASSOCIATION DOES \$40.00

Please complete the entire form to ensure updated records.

Name: _____ Cell phone: _____
