OFFICIALS ASSOCIATION

SMOA Membership Application

The SMOA has served high school sports officials in the Metropolitan Detroit area since it was established in 1947. **The SMOA does not assign games**, The emphasis of the association is on training and mentoring officials. The SMOA has worked closely with several leagues and assignors throughout the area. Please consider becoming a member of the SMOA. If you wish to be included in the MHSAA roster booklet, your dues payment must be received **by June 1st, 2022**. **Please also note that officials must be members in good standing of an affiliated MHSAA approved association in order to work MHSAA tournament games.**

It is understood that this does not constitute any type of employer/employee relationship nor does it indicate you will automatically receive assigned games just because you are a member. It does help, however, with contacts with trainers, assignors, and schools that may work together with those who are part of the SMOA and serves an integral part of the MHSAA's structure to help with the enlistment, instruction, training, and development of officials used in MHSAA contests.
