LOS ANGELES MORNING

The sun is rising on Los Angeles. The day is beginning. Traffic moves. The reflection of sun is on the buildings of Downtown Los Angeles. KATE, 20-25, jogs. She has on a radio headset listening to music.

Alarm clock goes off. A hand switches off the buzzer to the radio. Then a body starts to crawl under the sheets over another body...

KCRW/NPR

"and the morning fog will lift bringing in pleasant temperatures in the 70's...In the marketplace today, the lobby group, One Man One Woman, announced a record breaking number of donations from their website. The body is FRANCES, 25-29 who is awake and crawls over ANGEL, asleep, and tousles ANGEL's, 23-29, hair as he rises.

KATE

straight couple, you would be  
making money off it like those  
nitwits in Pennsylvania...

She pulls up the ONE MAN, ONE WOMAN web site.

ANGEL

That guy, what is Kallor for  
KHOLE? Creeps me out with all  
that makeup...

Headlines Investigation of Anti-Gay Marriage Group for Tax Evasion

Federal Courthouse Kallor off to jail for tax evasion.

RADIO V.O.

" and the in the Valley, the thermometer will reach the high 90's. A new local pro-gay rights group, "I Live Here Too" has gone national today with a launch of their web site and television commercials. Spokesperson Angel Tamez urged all free thinking individuals to examine their heart and their head when dealing with this issue.

VOICE OF ANGEL

The right wing better take a look around; their actions may possibly hurt someone close to them. Look at Mr. Kallor and his life for an example of hypocrisy. I hurt no one else when I love my partner, in fact, some believe that the more you love the more you get! And a democracy can only be made stronger by extending civil rights to all of its citizens.

KATE Stops at the corner for the light, she is wearing the tee shirt with Angel and Frances on it with the name of the organization.

A beautiful woman stands at the corner next to her. She looks at KATE. Smiles. KATE looks back at her. They flirt. KATE stops jogging in place and walks across the street with her....
