

## Northwestern Pennsylvania Beekeepers Association

The Northwestern Pennsylvania Beekeepers Association (NWPBA) serves five counties, including Warren, Erie, Crawford, Venango, and Mercer.

Membership began with 25 people and has grown to over 300. Some of our members are professional beekeepers, while others are just getting started. All of us share an interest in the wonderful and remarkable world of the honey bee!

The purpose of the NWPBA is to provide our members with interesting and practical information about honey bees and beekeeping techniques. The club also provides the general public with educational programs about benefits of bees and beekeeping in our communities.

The NWPBA is an important resource that maintains a working relationship with local media, farm organizations, and those who have a growing interest in beekeeping.

We are a 501-C3 non-profit, charitable organization.

## The Buzz of Beekeeping in Northwest Pennsylvania!

### We help each other in our beekeeping operations and hobbies.

Our monthly meetings are in early spring and fall in Edinboro, PA. They typically include a Headliner Guest Speaker, Member Spotlight, and a Q&A Beekeeper panel. Everyone attending the meeting has a chance to win a door prize. Each meeting also has a 50/50 raffle with the funds used to supply the door prizes.

**Our meetings are a great social opportunity to network with your beekeeping neighbors!**

## If you share our interest, please join us!

Our monthly meetings are held at Compton Hall, PennWest University, Edinboro, PA starting at 10 AM.

Meetings are typically the third Saturday of February, March, April, October, and November.

Outside of meetings, we have a Field Day in June and a Picnic in August.

There are also monthly beek breakfasts held at the IHOP in Erie on the 3rd Wednesday of each month at 9 AM!

### Our full listing of meeting and events can be found on our website:
