# QUALITY IN EVERY DETAIL

At Hallmark Home®, we've redefined cabinetry by making premium features standard across every collection. Our frameless cabinets offer a clean, modern look and are built with durable  $\frac{3}{4}$ " all-plywood box construction. Inside,  $\frac{5}{8}$ " dovetail drawers with  $\frac{3}{8}$ " bottoms provide lasting strength, while soft-close hardware and six-way adjustable hinges ensure smooth, quiet performance. Crafted for style, function, and lasting value.

Door joints in particular are likely to react to the conditions of their environment. Gaps that may develop are not included or covered by this limited liability warranty. This limited liability warranty does not cover or apply to hairline cracks of painted finishes; hairline cracks are unavoidable in wood cabinets given the nature of the material. Every species and grade of solid wood behaves in such a way as to eventually result in hairline cracks.
