IMPORTANT

Masses prior to 4pm on Sunday, Dec 24th, must be the Mass for the Advent Sunday. A Vigil for Christmas may be held after 4pm on December 24. **There can be NO combined celebration marking both solemnities and Catholics are obliged to participate in the Fourth Sunday Mass as well as the Christmas Mass.** This may be a challenge for some, but it is what we face every six or seven years as a church family united in prayer.
