The South African Liquor Distributors (SALD) Container franchise offers a compelling and lucrative business opportunity.

For a once-off fee of R30,000 or the following payment plans of
R10,000 deposit and a pay as you trade or
R2,500 Deposit and a R2,500 per month payment for the next 11 months

The process usually takes 3 to 5 working days from first payment.

South African Liquor Distributors offers a variety of containers and equipment to accommodate the franchisee including:
four fridges and two hand-washing basins.
a temporary liquor license, allowing immediate
trading upon delivery, with a permanent license typically granted
within three months.

The container is fully refrigerated and designed
for plug-and-play convenience, facilitated by a dedicated business
developer who assists with setup.

Each franchisee receives a state of the art till scanner and point of sale
system to streamline transactions.

The franchisee will also receive a generous R50,000.00 stock credit
the stock credit is provided without a repayment timeframe or interest.

**Our team of experts will be happy to guide you and
advise you throughout your process.**

From start to completion.

How to purchase a franchise container

1st Step:

Contact SALD via Telephone, Email or WhatsApp and ask for an application form and if interested in a payment plan ask for a payment plan form. Please note there will be no meetings or viewing of containers or meetings with a franchise developer prior to a payment being made or a deposit being made this enables SALD to keep the franchise as economic and as safe as possible this is why everything is done electronically.

2nd Step:

Complete the SALD application form and make your payment or make a deposit, this will ensure that your container is secured.

3rd Step:

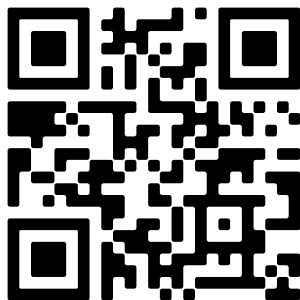

Your information will be sent to the South African Liquor board and National Liquor Authorities for the temporary liquor license as well as the permanent liquor license this process takes more or less 72 hours to be processed and a temporary license is approved immediately.

4th Step:

The customer will be contacted by a franchise developer and a date for inspection of the site customization of the container and the equipment you will need as well as the size of the container and the design

5th Step:

The container will be delivered and installation will be done if stock is also ordered it will be delivered as well. You will also sign a franchise agreement that you and the franchise developer agree on.
