Join us in welcoming renowned
horsecwoman Anna Twinney to Equus!
Utilizing rescued horses who were once
neglected and discarded, Anna will
provide a wealth of knowledge and
training in equine communication,
strength testing, and liberty. Proceeds
from this educational clinic will directly
benefit the same horses 'teaching' you!

Witness a dialogue between horse and
human through silent connection,
communication and collaboration

Learn what horses want you to know
about their needs

Experience the silent and secret love
language of horses

Enrich and enhance your partnership
with your horse at liberty, while you
experience the beauty of engaging
freely as you overcome mutual
obstacles discovering your authentic
self while learning to speak to horses
through subtle movement

Anna Twinney is an International Animal Communicator, Equine Linguist, Natural Horsecwoman, and Holy-Fire Reiki Master. For almost 2 decades she has helped thousands of animals of all species and their human companions. Anna has been sought out by zoos, sanctuaries, rescues, and people from all walks of life, including celebrities and the medical and veterinarian communities alike. Whether it be through private sessions, live and online classes, or her Natural Horsemanship Certification Courses, her message of giving a voice to the voiceless has been heard on almost every continent. Anna has been heavily involved in the rescue and protection of the American Wild Horse for 25 years. She has assisted in the rescue, training and healing of thousands of horses and has helped to raise hundreds of thousands of dollars for the horses in need and the organizations that share her passion for our majestic planetary companions.
