### WINEMAKER'S NOTES

We are proud to purchase 100% of the Paskett Vineyard in Lodi for the past 8 years. Fermented in stainless steel with pump-overs, then aged for 2 years in a combination of French and American oak with 30% new oak. Subtle and fruit forward, the tannins are soft adding some grip to this mid-weight Cabernet. We add 5% Napa Valley Merlot to enhance the tannin structure and add dark fruit.

Earthy and dark chocolate flavors abound in this lovely wine. Ripe red fruit aromas are joined by spice, leather and fresh earth.
