

Celebrating 25 Years!

SATURDAY JUNE 7

10:00AM

PABLO CENTER AT THE CONFLUENCE

Welcome to Diamond School of Dance's 25th Anniversary Gala

Dear DSD Families, Friends, and Supporters,

As I sit down to write this, I'm filled with emotion. Twenty-five years ago, I opened the doors to Diamond School of Dance with a dream — to create a place where kids could grow, find a second home, be challenged, and experience the joy of dance. I never could have imagined the incredible journey this would become, or how many lives would be touched along the way.

Over 5,000 dancers have come through our doors since the beginning. That number humbles me every single day. Because behind each dancer is a family who trusted us — not just to teach dance steps, but to help shape their child's confidence, character, and heart.

DSD isn't just a dance studio. It's a second home. It's where friendships are born between classes, where kids fall and get back up, where they discover the magic of dance and grow through the life lessons that come with it. It's a place built on kindness, encouragement, energy, and love — and it's a community we are so proud to be part of. We are here for the kids. They have always been, and always will be, our greatest passion.

This weekend's performances are a celebration of every dancer who steps on stage — from the tiniest toddler in their very first recital to the graduating seniors taking their final bow. We are so proud of each and every one of you!

To our incredible families: thank you for being part of this journey. Thank you for believing in us, supporting us, and allowing us the privilege of being part of your child's life. It is truly the greatest honor and joy.
With all my heart,

Miss Alicia

Founder & Director
Diamond School of Dance

From your child's first steps... to their graduation performance!

For the past 25 years, we've had the incredible honor of impacting the lives of over 5,000 children through the joy of dance.

We believe dance is about so much more than movement—it's about helping kids grow into confident, joyful, expressive humans. Whether your child is stepping into their very first class or training at a more advanced level, our mission is the same: to help them thrive in a space where they feel supported, encouraged, and celebrated.

Our teachers aren't just skilled—they're deeply invested in each child's journey. We're here to cheer them on, lift them up, and remind them that they are capable of amazing things.

We're not just teaching dance steps—we're helping kids discover who they are. Through every class, every rehearsal, every moment, we see them grow in confidence, creativity, and joy. The friendships they build, the pride they feel, and the way they light up when they dance—that's what it's all about for us.

Thank you for joining us in celebrating 25 years & these incredible kids!
