RECOGNITION OF SERVICE:

MIKE MATZKO & JACK CLEARY

Mike Matzko and Jack Cleary were recognized for their service to ELDA at the August 10th General Membership Meeting.

Mike served 26 years as an ELDA board member and for more than a decade on the Boating Safety Committee.

Jack had served as an ELDA board member for 6 years.

Unfortunately, Jack wasn't in attendance at the meeting, we will miss both men and the service and dedication they gave to our lake.
