

Olathe North Football

Pre-Game Meal Sponsorship

Organized by the ON Quarterback Club

On behalf of the Olathe North Quarterback Club, Players, Coaches and Parents, we are seeking restaurants who would be willing to sponsor a pre-game meal this season. These meals are provided to the boys on game day since they go from the classroom to the field and don't have time to leave campus to eat.

Would you be willing to sponsor a pregame meal this season?

Our schedule for the 2023 season is on the back of this document, if you have a date preference, please let me know ASAP and I will try to get that date for you

Details on the sponsorship and our schedule below.

We promote your business on our QB Club website, www.OlatheNorthQBClub.com all year long.

- We will highlight your business and logo which links back to your website.
- We encourage our players, parents and fans to eat at your restaurant throughout the year.
- We have a Sponsors offer page <https://olathenorthqbclub.com/sponsor-offers> if you are interested in providing a PDF with an offer to our parents and supporters.
- The week leading up to your sponsorship a pop up will come up highlighting your business as our Meal Sponsor of the Week.
- If you also offer catering, please send me a flyer to share with our parents, fans and on our website. Our hope is to get you some catering business through this sponsorship.
- Sponsorship Banner to be hung at all home games and Olathe North Quarterback Club Events

Olathe North Quarterback Club Meal Sponsorship

- Provide meals to feed 95 Varsity football players.
- Meals have ranged from Ham or Turkey sandwiches (with lettuce, tomato and condiments), Pasta Dish, Chicken and Rice, BBQ Sandwiches or Grilled Chicken Sandwiches with chips or a side of some sort. Coach also requests pickles, he says it helps the boys so they don't cramp during the game. Chips and pickles (if you can provide).
- We will have volunteer parents come by the restaurant to pick up the meals at 2:30 pm on Game Day, boys eat at 3 pm at Olathe North High School.

We are updating the website and hope to have it 100% ready before our first game on September 1st.
