

## Artisan Bakery Expo East is less than a month away!

It has been almost four years since we last were able to gather as professionals. A lot has happened since then, to say the least. From the pandemic to climate change, to the Ukrainian war, many events have affected our businesses and customers. Rising commodity prices combined with a shortage of labor has caused everyone to reassess their business. ABEE is here to help you with that. From equipment to supplies to demos, we have it all, and it is only a short drive to Atlantic City!

Visit us at Booth 417 to spin our prize wheel.

Click on the link at the end of this newsletter to register.

Just a reminder- Free registration to the show ends on September 23.

We hope to see you in Atlantic City!
