Rocky Mountain Mustangers
The Ford Mustang Club of Colorado Springs, Colorado

October, 2026

From the Editor…

As October wraps up and makes way for the month of Thanksgiving, many proud Mustang owners will put away their cars for the winter. Here in southern Colorado, I would say this is optional. Even in the most severe of winters, we often get warm, sunny days that call your pony out for a drive. By all means, get that oil changed, check those belts, rotate those tires and finish up any other maintenance. Regular maintenance doesn't guarantee reliability, but it sure does help! And you'll be ready for any of the pleasant days that pop up when the northern hemisphere is tilted away from the Sun.

Don't forget the Rocky Mountain Mustang Club is your club. If you have ideas or suggestions, please bring them up at the monthly meetings. You can also shoot me a message at newsletter@mustangers.com

Emma Crawford Coffin Races

This year 14 club members volunteered at the 2026 Emma Crawford Coffin Races in Manitou Springs. Member duties included checking in all coffin racers and parade participants, technically inspecting all coffins, crowd control and the timing of all the races. There were 54 coffins signed up to race. We had to cut off more pieces this year as some of the coffins did not meet specs for width.
