

Position Title: Beginning/Intermediate Sewing Teacher

Organization: The Creativity Shell

Location: Kingwood, TX (On-site)

Schedule: Mondays, Tuesdays, Wednesdays, and/or Fridays, 3:00 PM – 8:30 PM

About the Creativity Shell

The Creativity Shell is a nonprofit organization dedicated to using creative arts such as sewing, cooking, art, and STEAM to teach life skills, promote positive mental health, and inspire the next generation of makers. Our programs serve children in schools, shelters, libraries, and our own studios, helping them gain skills, confidence, and creativity.

Position Overview

We are looking for a friendly, patient, and enthusiastic **Beginning/Intermediate Sewing Teacher** to join our team. This role is perfect for someone who loves working with kids, has a passion for sewing, and enjoys fostering creativity in a supportive, fun environment. While sewing experience is important, we are willing to train the right person who brings the right attitude, patience, and energy.

Key Responsibilities

- Teach sewing classes for beginner and intermediate-level students, ages 5 – 17.
- Follow and adapt lesson plans to meet students' skill levels and needs.
- Create a welcoming and encouraging classroom environment.
- Assist students with projects, troubleshooting sewing machine issues, and providing guidance on sewing techniques.
- Maintain classroom cleanliness, organization, and safety.
- Communicate with parents, students, and staff to ensure a positive learning experience.

Qualifications

- Passion for sewing and working with children.
- Patience, kindness, and the ability to connect with students of various ages and learning styles.
- Basic to intermediate sewing skills (training provided if needed).
- Reliable, punctual, and professional.
- Ability to work scheduled hours (Mondays, Tuesdays, Wednesdays and/or Fridays, 3:00 PM – 8:30 PM).
- Previous teaching or youth program experience is a plus but not required.

Compensation

- Hourly pay commensurate with experience.
- Creative, supportive work environment with training provided.
