

Save money with the all-in-one POTS replacement solution.

Ooma AirDial® enables organizations to save money, and keep using critical alarm, safety, building access and fax systems by migrating from copper-based phone lines to an intelligent all-in-one solution that runs on a hassle-free wireless network.

Ooma AirDial allows you to retain your critical systems and is ideal for:

Security Alarm Panels

Building Entry Phones

Fire Alarm Panels

Essential Phone Lines

Elevator Phones

Fax Machines

Public Safety Phones

Backup Phone Service

Tremendous value

- Save money on monthly phone bills.
- Turnkey Installation

Life Safety Compliance - New York City Fire Department

- Ooma AirDial is approved as a Managed Facilities-based Voice Network (MFVN) for connecting fire alarm panels.

All-inclusive solution

- Solve all POTS challenges with one provider - hardware, data, and phone service with no monthly rate “surprises”.

Remotely managed

- Manage all locations and devices using intuitive web portal. Get SMS and email alerts when specific numbers are dialed or should outages occur.
