## From Scratch Opened in 1977 -- Over 40 years ago!

It's not often a restaurant can celebrate so many years in business. We are very fortunate to have a loyal and wonderful local following and exceptional visitor traffic. The Grebing Family has owned From Scratch since 1995. We hope you enjoy the family experience we have created at From Scratch Restaurant and we are here to make your dining experience memorable.

Limited water supplies make it necessary to serve water only when you request it.  
If you would like a glass of water, please ask. Thank you!

Please Be Patient--We don't start cooking until your order goes in!  
EVERYTHING is fresh and made to order.
