

With the onset of the Coronavirus the operations at the museum had to be modified, therefore we had no school tours in May, or group tours throughout the season. We did host 1507 visitors from 43 states. We, of course, did not have international guests this summer. Our annual meeting was held in June so we could meet outdoors. Kathy McLane was the guest speaker. Fayette Miller was presented with a gold plated Indian head coin necklace(a gift from Roger Smith) as a thank you for her many years of service to FGM. We welcomed our new curator, Tom Linn. The membership also approved a revised version of the Constitution. In July we had an open house showcasing our curator making arrowheads and the renovated shelter. Landscaping was completed as well as the exterior renovation including lights and new signage. Congratulations to Board Member Greg Hagenston on the publication of his book ; Greg and Doc ,Two Souls Surrounded by Badlands. The book is on sale at the museum.
