Consulting Engineers • Construction Inspectors

CAD Technician

Scherer Design Group, LLC - Lebanon, NJ 08833

Scherer Design Group, LLC (SDG) is a consulting engineering firm providing full-service site design to the telecommunications industry. Our talented, dedicated and down-to-earth team of hands-on engineers, technicians and inspectors is seeking a like-minded professional and experienced CAD Technician to support client projects under the supervision of our Professional Engineers.

Key Responsibilities

- Create dimensional drawings and more complex drawings to support wireless cell site installations
- Revise and update existing drawings to meet client demands
- Review blueprints, plans, specifications and other customer documentation as needed
- Maintain notes, project folders, design calculations and other documentation for future reference

Qualifications and Skills

- Proficiency in AutoCAD and/or MicroStation
- Knowledge of construction drawing standards
- Excellent communication and writing skills
- Self-reliant and able to multitask in a team environment
- Able to work in a fast-paced environment and under tight customer deadlines
- Wireless Telecom experience a plus
