

SHADE COLLECTION

Our SHADE collection includes umbrellas and canopies proven to stand to the test of time. All items are made for the outdoors and are customizable. Whether you need a complimenting umbrella for our seating collection, or a larger stand-alone canopy, our shade collection offer comfort and durability for all traffic areas.

SHADE A

SHADE E

XZONE

QSYSTEM

SHADE "A"

SHADE A features a rounded umbrella. The structure is a white lacquered aluminum with a white micro mesh fabric. The canopy is off-set, therefore making it easier to adjust to the sun's movement over the course of the day.

Width	Height	Item Code	Weight
