A FLORIDA SUPREME COURT CERTIFIED CIRCUIT CIVIL MEDIATOR

MEET YOUR MEDIATOR

Geoffrey Lutz, J.D. has been a litigator his entire career. Before law school, he worked at one of Florida's most prestigious plaintiff firms. While in law school, he continued his employment at plaintiff firms in Pensacola and Jacksonville. After graduating Cum Laude from the University of Florida Levin College of Law, Geoff expanded his experience through coverage, bad faith, and construction defect litigation. This began a career in complex litigation that continues to this day. After several years in the Pensacola area, Geoff relocated to Jacksonville, where he continued his path, representing both plaintiffs and defendants in various litigation matters, while concentrating most of his practice in construction defect law.

Throughout his career, Geoff has practiced litigation from Pensacola to Key West and all points in between. He has represented individuals, contractors, subcontractors, architects, engineers, developers, homeowners, insurance companies, associations, and Fortune 500 companies. During that time, Geoff has participated in thousands of

alternative dispute resolution, including binding arbitration, non-binding arbitration, settlement conferences, and hundreds of mediations. Through these experiences, Geoff learned the value of good mediators who strive to not only convey offers and counter-offers, but also work with parties to reach an informed resolution.

Geoff has led mediations of all sizes. From two parties in small personal injury matters, to complex weeklong mediations with nearly a hundred participating parties involving multi-million dollar allegations and complex coverage issues.

After twenty years of litigation experience, Geoff is now offering his mediation services to anyone in Florida and Texas. His goal is to help parties resolve matters before they need to incur the costs and unpredictability of a trial. Geoff is available online for mediations via Zoom throughout the state. Furthermore, Geoff is available for in-person mediations when required.
